

Endpost Knot

Step 1/4

Make 3 loops around the post, and leave about 50cm free to make the knot.

Step 2/4

Wrap the line 3 times around itself, keeping the line in the other hand.

Endpost Knot

Step 3/4

Wrap the line 3 times around itself again in the other direction, towards the end post.

Step 4/4

Wrap the line 3 times around the loops on the end post tucking the end under the loops.
